

Issue No. 2-61

Hydro Bulletin

27 January 1961

This publication is issued on per annum pay days to disseminate information to all personnel of the Hydrographic Office.
Items appearing in this bulletin can not be construed to change or modify any official directives.
Information and news to be included in future issues should be forwarded to Code 4200.

DEDICATION OF NATIONAL OCEANOGRAPHIC DATA CENTER

The Honorable James H. Wakelin, Jr. is shown delivering the dedication address at the formal opening of the National Oceanographic Data Center. (Left to right) are CAPT Ernest A. Ham, CHC, USN, who gave the invocation; Mr. Donald L. McKernan, Director, Bureau of Commercial Fisheries; Dr. F.W. Reichelderfer, Chief, U. S. Weather Bureau; Honorable John J. Allen, Jr., Undersecretary of Commerce for Transportation; Rear Admiral E. C. Stephan, USN, Hydrographer of the United States Navy; Dr. Alan T. Waterman, Director, National Science Foundation; Rear Admiral H. Arnold Karo, Director, Coast and Geodetic Survey; and Mr. Loren K. Olson, Commissioner, Atomic Energy Commission.
